WEDDING BELLS END ROMANCE

A pretty romance which had its beginning on the Garden Island some two years ago culminated last Wednesday morning at ten o'clock, when Dr. A. R. Glaisyer and Miss Anna Catherine Straynewer united in the holy bonds of matrimony in the parlor of the Roman Catholic Mission, Father Stephen performing the ceremony. The bride's home is in Friendship, N. Y., from whence she arrived on the Manoa Wednesday morning, to find the Doctor, who had, unobserved by his Kauai friends, boarded the steamer on her last trip in order to meet his bride, joyfully awaiting her coming.

The couple immediately sought the services of a clergyman who made the happy pair "one." The bride is well known and popular on Kauai, having been for three years, head nurse at the Waimea hospital. For the past year, however, she has been with her parents, enjoying a much needed vacation. Dr. Glaisyer is Deputy Territorial Veterinary Surgeon, having been a resident of Kauai for several years and is one of our well known baseball enthusiasts, being at present, secretary of the Kauai Amateur Athletic Association.

Dr. and Mrs. Glaisyer will make their home in Lihue, the Doctor having taken a lease on the property known as the Hanalei Home. THE GARDEN ISLAND joins the many friends of the happy couple in hearty congratulations and best wishes for their future happiness and prosperity.

BOY DIES FROM FATAL INJURY

Special to The Garden Island.

MAKAWALI, March 29.—Jeneiro, a Portuguese lad about 15 years of age died here last night as the result of an accident which occurred last Tuesday when he fell between two cane cars. He was dragged a hundred feet or more before the train could be stopped and when picked up, his left leg to the knee had been crushed into a pulp. He was taken to the hospital where on examination it was found necessary to amputate the limb at the knee. However, the shock had been so severe, that death followed closely upon the operation.

Deceased was an employee of the plantation, but was in no way connected with the cars having on a number of occasions been told to keep of the cars. His parents are comparatively new comers, having been connected with this plantation a short time.

He will also be an additional strength on first base. In fact he is up in all points of the game and is giving much valuable aid to the management in coaching the team. His motto is "hard team practice, all the time."

Mr. Loveland is a recent graduate of Cornell, and is very strongly welcomed by the fans of this vicinity.

DAMAGING FIRE IN WAIMEA

Special to The Garden Island.

WAIMEA, March 27.—Fire which originated in the dropping of a lamp, destroyed the residents' and contents belonging to Mr. Thevenin at 3 o'clock yesterday morning. But no one was sufficiently near to be of any assistance in saving anything.

Mr. Thevenin is in Honolulu but will not return owing to a wireless to the effect that Mrs. Thevenin intends leaving for Honolulu by the next steamer. An unfortunate feature of the fire, is the fact that Mr. and Mrs. Thevenin had all their household goods packed, preparatory to moving to Honolulu. Mr. Thevenin preceding the family to prepare for them. The building and its contents were a total loss.

JAPANESE HANGS HIMSELF

Special to The Garden Island.

WAIMEA, March 25.—A Japanese who for some time has been acting rather strangely, committed suicide here last night by hanging himself to a door casing. He was a member of three mill workers who lived in a house near the mill. Two of the occupants on returning home Sunday evening found the windows and doors barred against them. They sought the assistance of a policeman who, on breaking down the door, found the body swinging from the casing of an inner door. Life had not been extinct for long as was indicated by the warmth of the body when found. The body was cut down and removed to the home of a sister who resides here, and prepared for burial which took place today in the Japanese cemetery.

C. E. SOCIETIES HOLD A RALLY

The Lihue church was the scene of a gay and happy assemblage last Sunday, the occasion being a rally of the C. E. Societies of the district, and the quarterly convention of the Lihue Sunday Schools, combined. Opening remarks appropriate to the occasion were made by Hon. W. H. Rice, after which a class consisting of seventy little children sang and recited in a manner which delighted the audience.

The first part of the program being over refreshments were served. On reconvening the convention it was found impossible to accommodate the crowd with seats, every foot of available space being occupied. Following a song by the entire congregation, reports from the various branches of the society were read. Out of the membership of 145, the Korean branch had 55 present. They reported the sum of \$150 on hand with which to purchase a building site.

The Japanese branch showed a membership of 150, having added 50 names to the list as the result of a recent endeavor.

SUPERVISORS WILL MEET

The regular monthly meeting of the Board of Supervisors will take place tomorrow morning at 10 o'clock.

NEW CLUB IS ORGANIZED

On the afternoon of the 25th. of March there was an informal meeting of the promoters of a new social club at the home of Mr. and Mrs. J. M. Lydgate. The club is to be known as the Grove Farm Neighborhood Club, to meet once a month in rotation at the homes of the members. The purpose of the organization is to promote a spirit of sociability and good fellowship and prevent the development of lines of cleavage or class feeling. So far as we have learned there is little or no organization, no officers, no dues, no constitution and by-laws, and by one condition of membership, viz. "Do your share and take your turn."

The hosts on any particular occasion may write a limited number of guests outside the membership of the club. The membership of the club is as follows: Mr. G. N. Wilcox, Patron; Mr. and Mrs. J. M. Lydgate, Mr. and Mrs. E. W. Broadbent, Mr. and Mrs. F. Carter, Mr. and Mrs. R. L. Wilcox, Mr. and Mrs. A. D. Hills, Mr. and Mrs. A. de Bretteville, Mr. de Lacy, the Misses Mumford, Ayre, Jordan, Wells, Roscoe and Albright.

This is a most commendable new departure, the influence of which cannot fail to be beneficial. Long may the Grove Farm Neighborhood Club prosper and may be their festive gatherings.
